Standard Enclosures

Our range of standard enclosures are IP66 rated and come in a wide variety of sizes
Starting from (H) 300 x (W) 200 x (D) 150 mm up to (H) 1200 x (W) 800 x (D)300 mm.
Our Standard material is 2mm thick #304 Stainless Steel with other materials available on request.
Enclosures come with optional left or right hinged doors.
Standard panel lock is 8mm square key; however alternatives can be arranged upon request.
All enclosures are fitted with powder coated gear plates.
Prolec can custom make any size enclosure on request, you can find a quote request form on our website.
